Moved by Dean Enyart, seconded by Professor Jones, that John Powell's request to receive his degree upon satisfactory completion of three courses at Columbia University this spring be approved. Carried.

The secretary then read the report of Lois Khodakoff's senior committee in which it was recommended that she not be accepted as a candidate for graduation at this time. Following considerable discussion, it was moved by Professor Mendell, seconded by Doctor Phelps, that the Dean of the College instruct Miss Khodakoff that by going to summer school or returning to Rollins and taking the courses deemed necessary, she would be given an opportunity to return and try to satisfy

her Senior Committee that she was worthy of receiving her degree.

Doctor France moved that the motion be amended to read that the Faculty approve the action so far taken by the senior committee and leave to it the question of working out with Miss Khodakoff what she had to do to satisfy the requirements for a Rollins degree, either A. B. or B. S. Seconded.

Professor Mendell and Doctor Phelps accepted the amendment, whereupon the motion, as amended, was carried.

Dean Stone announced the schedule of Commencement Week activities, and Dean Cleveland called especial attention to the dance in honor of the seniors and to the tea in honor of the members of the senior class and their parents.

The Dean reported that Miss Treat was making steady progress and would be glad to see any faculty members who cared to call before leaving for the North. (It was requested that they either telephone Miss Treat's home or check with Miss Eastwood first, to prevent "over-scheduling" of appointments.) Upon the motion of Professor Dean, it was voted to send a note to Miss Treat expressing the best wishes of the faculty.

Dean Stone announced the tuition increase and reported that as a result of the Student Council assemblies a special student committee had met with the Faculty Administrative Board and it was expected certain of the suggestions might be worked out.

The Dean asked again that care be used in filling out the grade cards, so no checks were placed on the line and the summary corresponded to the checks. He also emphasized the fact that students should not be given the comments on the confidential side of the card.

Doctor Starr announced a special showing of "The Informer" would be held preceding the regular college movie on Tuesday evening.

The meeting was adjourned at 5:30 P.M.
